About the organisers

VOLUNTARY ACTION SOUTH WEST SURREY

Voluntary Action South West Surrey

If you would like to help out in your local community please get in touch and we will signpost you to a range of organisations that require volunteers at the moment. People affected by the current crisis may need help with shopping or a chat on the phone to someone. There may also be a need for volunteers to help out to cover for existing volunteers as they themselves have to self-isolate leaving voluntary groups short of help.

Central Surrey Voluntary Action Supporting the voluntary sector in Elmbridge, Epsom & Ewell and Mole Valley

Central Surrey Voluntary Action

In response to the Coronavirus (Covid19) outbreak, we are registering a pool of potential volunteers to support older people and other vulnerable groups affected. Activities include shopping, checking in with people over the phone, supporting foodbanks and community meal providers, transporting people and supplies, IT advice for voluntary organisations and individuals about communicating online. Administrative support – helping organisations to change the way they deliver services and contact people in need.
