Better late than never.

Weather permitting; we will complete our distribution of the hard copy of our Spring Edition this weekend. Our thanks go out to all our delivery volunteers. The two local FaceBook Groups featured below allowed us to post an appeal for additional volunteers and as a result we were able to extend our coverage delivering not only to our regular addresses but also take up a 200 overrun from the printers. Happy to hear from more volunteers for our next edition!!

If you have not received a copy please send your address to effinghameditor@gmail.com

Keep Them Safe #Surrey exceeds its target.

As previously reported a group of locals - based in and around Effingham and Little Bookham in Surrey organised by Louise Hallam have been making full face visors for frontline staff in Surrey using materials funded by this appeal. Whilst they may have reached their target further donations can still be made and recipients such as our Lime Grove (see photo) care home in Horsley will benefit.
